

End of Sale Notice

(End of Integral extension sales)

Notification Date: October 10, 2014
Effective Date: December 31, 2014
Subject: End of Sale of Avaya Integral Portfolio:
Integral 5 (including Integral 3, I3C, cable
and components/devices)
Theatre/Region: All

Summary

This is the End of Sale notification for parts of the Avaya Integral Portfolio including SME product lines Integral 5 / Integral 3 / cable and components/devices.

Effective December 31, 2014, Avaya will no longer make the Integral material codes commercially available.

The End of Sale Notice for End of New System sales was already published on May 24th, 2011 for Integral 5.

Transition Summary

- Effective December 31, 2014, the codes listed in the Discontinued Order Codes section of this document will be withdrawn from sale for customers.
- Subject to availability, the last date for orders to be placed for these products is December 31, 2014. Thereafter, these codes will be removed from price lists and associated order entry systems. Stock will be reserved to meet requirements for warranty returns and repairs.
- Marketing collateral and web-site / portal content will be modified to reflect this product transition
- Otherwise stated, Avaya will provide hardware and software Manufacturer's Support, including technical support, repairs, software bug fixes, for three (3) years after the EoS date until December 31, 2017. Parts of the portfolio may have different time lines and will be published separately.

Discontinued Order Codes and Migration Strategy

Discontinued Order Codes: see page 3ff:

Migration Strategy:

Avaya offers a powerful migration portfolio which will cover the customer needs of a future oriented communication solution.

Avaya offers the following alternative solution(s):
Avaya IP Office

Schedule

End of Sale New Projects	31-Dec-2011
End of Sale (end of expansions)	31-Dec-2014
End of Manufacturer Support for SOFTWARE *	31-Dec-2017
End of Manufacturer Support for HARDWARE *	31-Dec-2017
Targeted End of Services Support**	31-Dec-2017

* Per Avaya product life cycle policy

**Avaya Services may revise the target End of Services Support date based on the availability of quality repair parts and/or technical support expertise. Customers should always consult any available product Services Support Notices for final information on product supportability.

Service and Warranty

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by Business Partners or other service providers. Additional information concerning Avaya Services can be found on the [Services Offer Information](#) Web site.
